UTBN Press Release—Chase Colby with a tough grind through performance and a solid limit of fish on Days 1 and 2 enabled Chase to capture the boater category win with a three day total of 33.89 pounds, besting a field of 20 anglers from the intermountain west region. Not to be out done or underestimated Courtney Adams led wire to wire on the nonboater side of things, winning the nonboater overall and finished 10+ pounds ahead of the nearest competitor. Mike Powell had tournament big fish honors with a 5.17 lb smallmouth, and Mike Lavallee had the tournament big creel with 15.24 lbs on Day 1.

Congratulations to Chase and Courtney and the other 9 anglers selected to represent Utah at the 2017 BASS Western Divisional. Thanks to all the great sponsors for their product donations, support and assistance for making this one of the premier summer tournaments at Flaming Gorge. Special Thanks to the folks at the HUB Restaurant for providing facilities and dinner to all the anglers. (see pg 2 for a full listing of results)
