Thanks to all the Utah B.A.S.S. Nation members that were able to attend the final state team qualifier of 2018, and brave the cooler fall weather. It was our great turnout with 30 boaters and 28 nonboaters. Total payout came out to \$8680 between both divisions and does not account for any of the sponsor provided prizes that were also distributed.

Special shout-out to the Utah BASS Nation support team for putting together a great pretournament dinner, to Billy Ricker for getting everyone paired up and organized and Kent Thomson and Trevor Tippetts for handling the boat inspection and weigh in duties. Great job on all the contestants and special Thank-you to Nate Braack and Bill Brown for there selfless act of rescuing a couple of stranded boaters and coanglers who had mechanical problems on Saturday.

Please support all the sponsors reflected on this results sheet since they graciously provide product to support all the UTBN members, UTBN state team heading to Shasta Lake, California and representing Utah at the 2019 BASS Nation Western Divisional. Hope to see everyone nexy year and thanks again for a great year.
