Thanks to all the Utah B.A.S.S. Nation members that were able to attend the first state team qualifier in 2018, and brave the inclement weather. It was our biggest turnout to date with 41 boaters and 41 nonboaters. Total payout came out to \$13,000 between both divisions and does not account for any of the sponsor provided prizes that were also distributed to the 7th and 8th place finishers.

Special shout-out to the Utah BASS Nation support team for putting together a great pretournament dinner, to Tom Nokes for getting everyone paired up and organized and Kent Thomson and Trevor Tippetts for handling the boat inspection and weigh in duties.

Please support all the sponsors reflected on this results sheet they graciously provide product to support all the UTBN members, UTBN state team members heading to Clear Lake CA and representing Utah at the western divisional and UTBN raffle that raises monies for all our efforts throughout the 2018 season. Hope to see everyone in November at the 2nd qualifier.
