Utah BASS Nation State Team Qualifier #1 was completed this past weekend with 64 anglers braving and adjusting to the ever changing spring weather conditions with temperatures ranging from 30 degrees at blast-off in the mornings to mid 50's in the afternoons. The bass were also throwing out some curve balls with all anglers having to make daily adjustments to locate and find the fish with water temps in the 48-51 degrees range. Tom Nokes was able to complete the wire to wire win with a dominate performance over all three day's.
