

Utah BASS Nation Membership Requirements and Tournament Information

www.utbfn.net

Greetings and welcome to the Utah BASS Nation, below are some answers to some of the most common questions we get asked every year.

What are the membership requirements? - To be a member of the Utah BASS Nation you need to have the following three items in place. (It is not as complicated as it sounds)

1. Have an active subscription to BASSMASTER Magazine—you can set this up on your own by either calling 1-800-BASS-USA or on-line at www.bassmaster.com (when you sign up make sure you write down your membership number).
2. Join a club, and pay \$20 dues to the Utah BASS Nation—there are clubs throughout the state and each club is its own entity and has their own rules/guidelines for membership. This money stays within the Utah BASS Nation and is used to support our local anglers when they go to divisional and national level tournaments, support community related charity programs, dinners at tournaments etc.

Salt City Bassmasters	Salt Lake City area	801-671-3780
Ticaboo BASS	Heber City area	801-824-7633
Team BASS Utah	Logan area	435-232-1852
Top of Utah BASS Anglers (TUBA)	Ogden area	801-726-4880
Park City BASS Club	Park City/Provo area	801-706-8917

3. Join the BASS Nation and pay \$30 dues annually—this is also done through your club president. This money goes directly to the BASS national organization that promotes bass fishing and grass root anglers nationwide, along with off-setting costs for hosting divisional and national level tournaments, and gets you a subscription to BASSTIMES

What if I do not have a club in my area to join? We have numerous folks scattered throughout the intermountain region that have this same dilemma and there is a generic club (TUBA) that you can join, and all the items identified in steps 1, 2, and 3 still apply.

Is there a deadline for dues submission? The deadline is 1 March 2018 and applies to renewing or returning members ONLY – *this deadline does not affect anyone that is new to the Utah BASS Nation.*

What are the benefits for paying \$20 dues to the Utah BASS Nation and \$30 to BASS Nation? -

- 45% discount off all MERCURY MARINE Products
- 45% discount off all MOTORGUIDE Products
- 30-40% discount on DOBYNS Rods
- 50% discount on QUANTUM Rods and Reels
- POWER POLE Rebate
- YAMAHA Oil at 50% discount (limited quantity)

* Additional benefits from Lowrance, Humminbird and Minn-Kota are provided to state team members

Eligible to participate in the State Team Qualification tournaments, with 100% payout on all option pots and 50% payout of entry fees money, averaging over \$10,000 payout at each event (best payout within the region). The Utah BASS Nation also provides sponsor product and giveaway items at this event along with a free dinner at the tournament check in.

If you qualify for the 22 person Utah BASS Nation state team

- You receive an apparel package consisting of coat, jersey, sunglasses and shirts (\$250 MSRP).
- You receive additional funding to off-set costs to attend the western divisional tournament (\$500 per person).
- If you become the national contender representing the Utah BASS nation we provide funding to attend that event also.

What are the requirements to compete at the Utah BASS Nation state team qualifier tournaments? Members that have paid state and national dues have priority over persons that have not paid state or national dues. If a person is not a member of the Utah BASS Nation and not interested in being a part of the state team and wants to compete for just the cash and prizes awarded at the tournament that is acceptable also, there is a guest fee of \$25 required. Please reference the tournament entry forms at www.utbfn.net for details.
